

International Arboriculture Summit on Tree Assessment and Preservation

Hong Kong, November 20-22, 2009

Friday, November 20th

BP International House Scouts Center – Kowloon

Morning

Tree Assessment & Tree Preservation with Nelda Matheny & James R. Clark

- What is Risk and How Do We Manage It?
- How to Work with the Uncertainty of Risk Assessment.
- Realistic Expectations in Tree Assessment.
- Identifying Trees Suitable for Preservation.

Afternoon

- Hong Kong Tree Care Management; History and Challenges for Arboriculture Development (Chau)
- Management Techniques of Veteran Trees (Ferrini)
- Tree Risk Assessment and Management in Hong Kong (So)
- Assessing Wind Loads Acting On Solitary Trees (Detter)
- Temperate Experience / Tropical Experience – The Interrelationship (Fountain)
- Recent Experience in Tree Assessment & Real Work in Hong Kong (Picker)

Saturday, November 21st

Suen Douh Camp – Fanling, N.T.

Lecture and Workshop Topics will include: (attendees will be split into groups and each group will attend all of these topics in turn.)

- **Tree Hazard Risk Assessment** using the method they developed in the book, *A Photographic Guide to the Evaluation of Hazard Trees in Urban Areas* (4 hours, Lecture & Field Training with **Matheny and Clark**)
- **Tree Crown Support with Modern Synthetic Systems** (2 hours, Lecture & Field Training with **Detter**)
- **Pollarding Methods, the History and Present Practice** (30 minutes, Lecture with **Ferrini**)
- **Can Anyone Calculate Tree Stability?** (1 hour) (Rinn)
- **European and American perspectives on ISA global development** (30 minutes, Fountain, Ferrini and Rinn)
- *Other topics to be announced*

Sunday, November 22nd

Suen Douh Camp – Fanling, N.T.

Seats are limited for this special day of training. Availability for only the first 40-50 people, so please contact us right away with your interest.

- **Tree Statics and the Pulling Tests Method with Andreas Detter** (half day, lecture and field training)
- **Resistograph with Frank Rinn of Rinntech** (half day, lecture and field training)

Registration

Prices may increase after September 20th, 2009, REGISTER TODAY!

(Please choose the option you prefer)

- | | | |
|---------------------|---|--------------------------------------|
